The Honorable Eville J. Younger
Attorney General of the State of California
217 West 1st Street
600 State Building
Los Angeles, California, 90012

Dear Sir:

Can you work into your busy schedule a speaking engagement for the evening of May 29, 1973?

This would be for a general membership meeting of the Lafayette Improvement Association and will be open to the general public. The occassion is also in part a 60th year celebration of our organization. Of the 500 member roster, the Town Hall meeting usually draws 250 to 400 adults. There will be a Poster Contest in the 10 Lafayette schools sponsored by the Association in conjunction with the meeting. The posters will be on the theme, "Lafayette We Are Here!" and there will be one winner in each school. The posters will be on display and awards will be presented to open the meeting. After this the Board of Directors will be installed for the coming year, and following this will be the speaker.

You have been so well recommended that we think Central Contra Costa County should have the opportunity to meet you. The subject "Death Penalty", or any other "non-political" topic would be excellent. Coffee is served at the close of the meeting - total time of meeting is 7:30 p.m. to 10:30 p.m.

I will be happy to come to Los Angeles or Sacramento to work out any details. We realize the busy schedule that confronts you and hesitate to call on you on such short notice, However, if you could manage we guarantee that the areas of Orinda, Moraga, Rheem, Lafayette and Walnut Creek will be well represented.

The Lafayette Improvement Association is a non-profit homeowners association and we will be happy to supply reference and any information requested.

Very truly yours,

ROBERT D. GILLILAND, Director
